

Assembly Instructions

Cigarette Disposal Post - Floor Model

Before assembly, be sure that all components are included.

Part List	Description	Qty.	Drawings
A	Sheet metal base	1	
B	Plastic base	1	
C	Bottom receptor pole	1	
D	Upper receptor pole	1	
E	Cap	1	
F	Bolt (M8 x 40mm)	3	
G	Flat washer (M8)	1	
H	Allen wrench	1	

Special Warnings

1. Do not discard any of the packaging until you have checked that you have all the parts and the pack of fittings.
2. Plastic polybags can be dangerous. Keep the bags away from babies and children to avoid danger of suffocation.
3. This ash holder is intended for outdoor use only. Care should be taken on selecting a location; avoid contact with wood or other flammable structures.

Assembly Steps:

Step # 1: Place all of the parts on a clean, flat surface. Attach Sheet metal base (A), Plastic base (B) and Bottom receptor pole(C) with Bolt (F) and Flat washer (G) using Allen wrench (H).

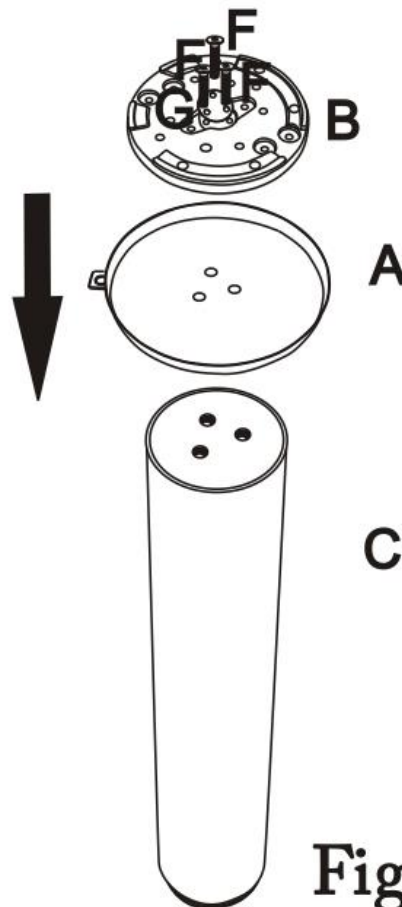

Fig. 1

Step # 2: Position the assembly from Fig.1 over onto its base and attach Upper receptor pole (D) by screwing them together.

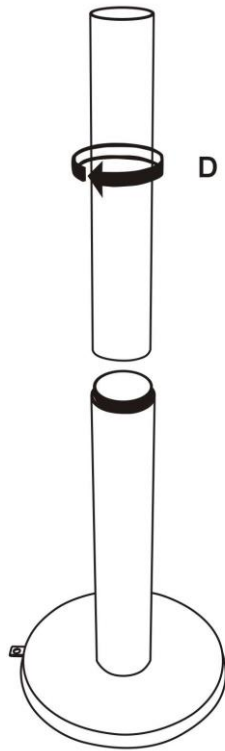

Fig. 2

Step # 3: Place Cap (E) into position into the top of Upper receptor pole (D).
