

EARTH-TONE COMMERCIAL

WASTE RECEPTACLE WITH SIDE LOAD ASHTRAY LID

This contemporary waste container with a unique stone appearance offers extreme durability and convenient ease-of-use. The 42-gallon Square Waste Receptacle is constructed from long-lasting polyethylene with polymer concrete stone panels. Designed to withstand extreme climates while maintaining its beautiful aesthetic, this heavy-duty waste container won't rust, dent, or chip.

KEY BENEFITS & FEATURES:

- Ideal indoor or outdoor solution, perfect for any business
- Durable and built to last in the harshest weather conditions polyethylene that won't rust, dent, chip and is graffiti-resistant
- Decorative and durable panels made from real stone create an upscale appearance that complements any design style throughout any property
- Material is easy to maintain and clean, saving you time and hassle
- Panels ship inside the waste container – minimal assembly required
- Covered Dome-lid keeps weather elements out and provides convenient access to disposal on all four sides
- Aluminum ashtray dome lid keeps weather elements out and allows for cigarettes to be properly extinguished. Hinged ashtray can be removed for cleaning
- The innovative snap lid closure and patented Grab Bag™ system secure the trash bag in place for a cleaner appearance with a decreased chance of the lid blowing off
- 100% Recyclable after use
